## Kids & Fruit IS BACK

Dear Parent/Guardian

We have been able to obtain a new supplier and the Kids & Fruit program has returned to our school today.

The good news is that Charlies Fruit Market in Station Place will be delivering high quality fresh fruit in child-size pieces to our school each day. The even better news is that Charlies' has committed to maintaining the cost of approximately 30 cents per child, per day (\$1.50 per week/\$15 per term).

Our school has been operating the Kids & Fruit program for 12 years and the eating of fresh fruit each morning has become embedded in school life at Iramoo.

We see it as vitally important that all children participate in this program and, even if your child does not usually eat fresh fruit, we know from experience that some *positive* peer pressure will assist as the fruit basket is passed around the classroom at approximately 10.30 each morning and children eat their fruit together in the classroom under teacher supervision.

Please complete the tear off slip below and return it to school with appropriate payment by **Tuesday, February 20, 2018.**

**MOIRA FINDLAY**  
PRINCIPAL

\* Prep students will be included in this program from the beginning of Term 2.

-----  
Please return by Tuesday, February 20, 2018
