1:1 IPAD PROGRAM

YEAR 4, 2019

IPAD HANDOVER

Tuesday, February 26, 2019

Dear Parent/Guardian

We have been working hard to get the iPads set up and ready to go home. This process includes:

- Setting the customised Lock Screen wallpaper.
- Connection to the school wireless network.
- Installing Apps.
- Connecting students to their teacher's Google Classroom.

Each student's iPad will have a number of Apps installed. These include:

- Google Apps for Education.
- *Pages* for word processing.
- The spreadsheet App *Numbers*.
- *Keynote* for making stunning presentations.
- The *Explain Everything* presentation tool.
- The *Reading Eggs* and *Matific* Apps.

We will also be teaching the children correct use of the iPad and teaching them how to look after it when they take it home after the iPad 'handover' sessions.

Before the iPads can go home these steps must be completed.

- 1) The co-payment of \$250 for this year must be made.
- 2) The 'Acceptable Use of Digital Technologies' agreement form must be signed by the parent or guardian as well as the student (the green form).
- 3) A parent or guardian must attend one of the 'handover' sessions and sign the 1:1 co-payment agreement.

NB. If you would like your child to take his/her iPad home for the Term 1 holidays please make sure **all** of the above steps are completed by **Monday, April 1**.

During the first week of March we will have the iPad 'handover' sessions after which we expect the children to take their iPads home every evening and **return them to school fully charged each morning**. *No iPad can leave the school until the full \$250 has been received as this is the cost of the insurance.* Please note that all payments must go through our school office.

The handover sessions will be held in our **computer room** on:

- **Monday, March 4 at 6.00 p.m.**
- and
- **Wednesday, March 6 at 3.15 p.m.**

Parents will need to attend only one of these sessions to sign the co-payment agreements and receive important information regarding their child's iPad. Further information will follow in future iPad newsletters.

Please return the slip below by **9 a.m. Friday, March 1** to indicate which handover session you will be attending.
