

IRAMOO PRIMARY SCHOOL No. 5152

naplan trial 19

**NAPLAN ONLINE CO-ORDINATED PRACTISE TEST
THURSDAY, MARCH 28**

Wednesday, March 20, 2019

Dear Parent/Guardian

Our Year 3 & 5 students will undertake the National Assessment Program for Literacy and Numeracy (NAPLAN) between **May 14 - 24**. The results of the tests provide information for students, parents, teachers and principals, which can be used to improve student achievement.

Last year our school was selected to be one of the first schools to complete the NAPLAN tests online. Our students will also complete their testing online in 2019, except for the Year 3 Writing assessment, which will be completed on paper.

In preparation for this year's NAPLAN testing, our Year 5 students will be involved in a co-ordinated practise session on **Thursday, March 28**. This test will be conducted by all schools participating in NAPLAN online this year. This is a chance to see how the computer system copes at our school and across the country. It will also provide students with an opportunity to become familiar with the types of questions that they will experience during NAPLAN online and the computer platform they will use. The test will include reading, conventions of language and numeracy.

As it is a practise, the test will not be marked and there will be no results available to our school.

Further information will be provided about NAPLAN online in Term 2. If you would like to know more about NAPLAN online, you can find additional information at <http://nap.edu.au/online-assessment/naplan-online> or you can contact me on ☎ 9741 2803.

**SIMON LITTLE
NAPLAN CO-ORDINATOR**
