Footy Colours Day

On Friday, September 21, all students and teachers are being encouraged to wear the colours of their favourite football or sporting team. Please note that those children and teachers who wear their team's colours and those wearing casual clothes are required to make a gold coin donation in support of the charity event 'Footy Colours Day' for the Fight Cancer Foundation. A student longest kick competition will take place throughout the day and some staff will be involved in a longest kick competition at lunchtime.

2019 Prep Enrolments and Transition

We currently have 90 Prep students enrolled to start school next year and our Friday afternoon transition program will begin in the second week of next term.

If you, your friends or neighbours have a child who will be five years old before the end of April 2019, please ensure that the child is enrolled at their closest neighbourhood school as soon as possible. This will assist the schools in determining numbers of students and classes as they begin preparations for the 2019 school year.

SunSmart Term 4

At the beginning of next term, students are reminded that each day they will need to have a broad brimmed or legionnaires style hat at school every day to wear when they are outside at playtimes or for any other activity such as physical education. From Monday, October 15, the 'no hat, no play' rule will be applied and those children still without an appropriate hat will have to stay inside. Please note that your child's hat can be any colour, as long as it is broad brimmed or legionnaires style to provide appropriate shade for the face, neck and ears. Please also ensure that your child's name is clearly written inside the hat so that the hat can be returned to its rightful owner if lost.

It's A Boy!

Congratulations to Mr Shane Lambert and his wife, Miranda, on the arrival of their first child, Arlo Oscar who was born last Thursday, September 6. Mum, dad and baby are very happy and well.

School Security

During the coming school holidays, we ask for your assistance in discouraging any people who may misuse our grounds. If you happen to notice any person on our grounds who is engaging in any type of dangerous or destructive behaviour, please do not hesitate to immediately call the police on 000 and the Department of Education Office of Emergency Management on 9589 6266.

Raquel Tweedley

If you need to drive to school, get your child into the habit of using the kerbside doors, away from traffic.

Program Achieve - You Can Do It!

Students have been looking at the social skill **Persistence** and our teachers have been very pleased with students demonstrating this skill. Special congratulations to the students listed below who have displayed excellent **Persistence** by not giving up when doing a challenging task and finishing all tasks before the end of class.

PERFORMING ARTS

It's now time to assemble students interested in being part of our Christmas Carols Choir. Students in Grade 1 - 6 may join the choir. In December we will be holding our *Carols on the Green* at Iramoo Primary School. Rehearsals for this event involve teaching the children to perform as a group so they must be committed to practising the songs at home and during enrichment sessions at school. If you feel that your child has interest and will show commitment to this activity, please complete the tear off form in this newsletter and return it to me by **9 a.m. on Friday, September 21, 2018.**

- Thank you to all staff, students and especially our volunteers who have helped in our canteen and supported me while Lisa has been away. It has been very much appreciated. Wishing you all a lovely break over the holidays.
